Warranty and Adjustment Policy

This battery will be replaced without charge if found to be defective in materials or workmanship 6 months from date of over-the counter purchase. After 6 months but within 12 months of over-the counter purchase, the battery will be replaced and the purchaser charged only for the period of ownership based on the regular price at the time of return prorated over the number of months of warranty. This warranty is available through the dealer to the original retail customer and is not transferrable and is voided by the use of rejuvenators, improper electrolyte, neglect or abuse.
