

Please read and understand these instructions completely before installation to avoid any possible injury to yourself or the motorcycle and/or accessory.

VT No. 24-0296 and 24-0874 Chrome Fork Stop Neck Kit

#	Item	Qty
1	Fork Neck Cup: Top	1
2	Fork Neck Cup, Bottom	1
3	Bearing Dust Cover Top	1
4	Fork Stop Ring	1
5	Pins	4

1. See Fig. 1: Drill 4 holes in the lower Triple Tree using the Fork Stop Ring (#4) as a template.
2. See Fig 2: Install the fork stop ring (#3) to the Lower Triple tree as shown. **Warning:** There is a short and long travel slot in Fork Stop ring. The short travel slot is used in the majority of application. Use extreme caution if using long travel slot as the triple trees could hit the gas tank.
3. See Fig 3. Drop the Bearing Dust Cover (#3) over your neck stem on Triple trees as shown.
4. See Fig4: Drive in the top and Bottom Fork neck Cups (#1 & #2). **Note** Your frame must have a pilot hole drilled at 6 o'clock position to accept the pin in the Bottom Fork Neck Cup (#2).
