This kit requires thread lock for proper installation. LOCTITE 243 MEDIUM STRENGTH THREADLOCKER AND SEALANT (BLUE)

WARNING

Rider and passenger safety depend upon the correct installation of this kit. Use the appropriate service manual procedures. If the procedure is not within your capabilities or you do not have the correct tools, have a Har dealer perform the installation. Improper installation of this kit could result in death or serious injury.

NOTE

This instruction sheet references service manual information. A service manual for this year/model motorcycle is required for this installation.

REMOVE AND INSTALL

1. This kit installs in the same manner as the original equipment (OE) control brackets. See the service manual to remove and install the control brackets.

DISASSEMBLE

1. Disassemble control bracket. See the service manual.

ASSEMBLE

1. Assemble control bracket. See the service manual.
