Kit Contents

Table 1. Kit Contents

Quantity	Description
2	Chrome bezel cover
1	Adhesive tape, double-sided strip

There are no Service Parts available with this kit.

INSTALLATION

NOTE: Using a 50:50 mixture of isopropyl alcohol and water, wipe dirt, oil and grease off of instrument bezel and bezel cover before applying double-sided tape or tape may not adhere well.

1. See Figure 1. Cut tape (1) into six equal pieces.
2. Remove paper liner from one side of tape and apply tape to front face of gauge pressing firmly into place. Space all three pieces equally.
3. Remove outer liner from tape.
4. Place bezel over gauge and press firmly into place.

- 1 Tape
- 2 Instrument bezel
- 3 Instrument bezel cover
